

# Project SUCCESS Regional Trainings

## Thursday, October 12th Indiana University Southeast

**Location:** Indiana University Southeast, 4201 Grantline Road  
New Albany, IN 47150, Conference Center: Room 127

**Time:** 8:00-11:00am

Bring Your Own Device (BYOD)

### Who We Are

Project SUCCESS is a resource center that supports higher academic achievement for students with disabilities. We are building local capacity to ensure that students with significant cognitive disabilities achieve increasingly higher academic outcomes and leave high school ready for post-secondary options. Project SUCCESS is part of the Indiana Resource Network and strives to support teams of teachers and administrators in Indiana as they work to implement academic standards into instruction for students with significant cognitive disabilities.

## Project SUCCESS: Planning Instruction while Targeting Critical Content Connectors

### Regional Training Objectives

- Participants will learn best practices for instruction using critical content connectors and core vocabulary.
- Participants will create lesson plans using a LASSI, MASSI or element cards that can be implemented immediately.
- Participants will collaborate with educators to share curriculum ideas and to develop an implementation plan for lesson plan development.
